## TREATMENT BY DIET

by Clifford J. Barborka, M.D.

The new fourth edition of this popular book has just been published . . . with revisions and additions that make it one of the most important publications of the year. Complete revisions of the Vitamin sections and widespread changes in the sections on Diet in Disease bring it right up to the minute. It is a book on treatment that should be in the library of every physician. Send for your copy now! 642 Pages. Illustrated. \$5.00.
